

Morrisville Town Council

Regular Meeting – Except of Minutes
February 28, 2017, 6:30 P.M.

10. Action Items

2017-033	Resolution Supporting the Location of Middle and High Schools in Morrisville
--------------------------	--

Ms. Hudson noted that this item resulted from Town Council roundtable discussion to prepare a resolution in support of middle and high schools in Morrisville.

Council Member Garimella asked that the last whereas clause be deleted. Council consensus was to remove the clause.

Council Member Cawley noted that suitable land has to be identified for placement of schools in Morrisville, but that does not mean that the educational needs of Morrisville are not being met and recommended that the resolution be tabled to allow staff to continue moving forward with WCPSS to meet the greater needs of the community. He recommended amending the resolution by adding “high quality” and “accountable” schools within the summary clause. Council consensus was to support the addition of “high quality” to the summary clause.

MOTION: Council Member Garimella made a motion to adopt Resolution 2017-033 as amended. The motion was seconded by Council Member Scroggins-Johnson. Council Member Cawley voted in opposition. The motion carried six to one.
djourned the meeting at 9:55 p.m.
