Storm Drain Marking Program

Thank you for your participation in the Town of Morrisville Storm Drainage Marking Program, a key element in the Town's National Pollutant Discharge Elimination System (NPDES) program. As part of your participation in this program you will receive a package with the necessary materials and instructions to successfully and safely place the appropriate markers on storm drainage inlets within the Town of Morrisville.

Storm Drainage Marking Package Contents:

Storm Drainage Inlet Map(s)
Storm Drain Marker Placement Instructions
das Marker Installation Instructions
Lake Crabtree or Jordan Lake Storm Drain Markers
Safety Vest
Traffic Cones

Let's get started . . .

First, please consider the area in which you wish to apply storm drain markers and provide this information on the attached Area of Interest Form. Be sure to also sign the volunteer waiver on the last page. This information will allow us to provide you with a storm drainage marking package with the appropriate maps and markers. **Once you have completed this form please return them to the Stormwater Division.** In the near future you will be notified that the packages are ready and the storm drain marking can begin!

If you have any questions please contact:
