Residential Irrigation

To obtain a second meter for irrigation purposes, the process is as follows:

1. Submit Town of Morrisville Irrigation permit application, plan review fee, three sets of drawings and all applicable forms for plan review/approval to the Town of Morrisville Inspections Department at 260 B Town Hall Drive.
2. Pay the Town of Cary fee once you receive an email from them.
3. Pick up the approved permit/plans from the Town of Morrisville Inspections Department (Please bring a copy of your receipt from the Town of Cary.)
4. Request the installation of the meter by calling 919.469.4090, after 12:30pm on the day following Town of Cary fees and picking up your irrigation permit application.
5. Call the Town of Morrisville Inspections Department at 919.463.6180 to schedule an inspection once the meter has been set and the backflow device has been tested and certified (all two working days).

Fees
